Tour The Farmer's Cow Farms

Our tour season kicks off with a President's Day Tour of Graywall Farms on Feb. 20, 2017!

We love having people visit our six Connecticut family-owned farms to meet our cows and learn about dairy farming.

We are dedicated to putting a face on New England agriculture, advocating for sustainable farming practices and farmland preservation.

For up to date information on tours & events, visit TheFarmersCow.com

Fairvue Farms, Woodstock
Hytone Farm, Coventry
Mapleleaf Farm, Hebron
Fort Hill Farms, Thompson
Cushman Farms, Franklin
Graywall Farms, Lebanon
